

Christmas Cookies

The Christmas season is a very busy time for the single mothers and their children in our women and children's program. The women are concentrating fulltime on getting their lives back to together by attending counseling sessions, educational classes and preparing for meaningful careers.

You can encourage these families to continue making positive changes by baking them Christmas cookies and sharing your joy in our Savior's birth in a very real way. For folks who have spent past Christmas seasons homeless or in despair, your simple gesture of Christmas cheer will deeply touch their hearts and those of their children.

You can encourage our clients and families this Christmas by donating 5 dozen cookies (any variety), delivered in a non-returnable plastic container, that we will be able to freeze. A cookie serving tray will add to your gift. Please include your recipes! They will help our women remember and repeat your gift.

Please drop off your cookies at Light of Life Rescue Mission, 913 Western Ave. (North Side) Pittsburgh, PA 15233 M-F between 9 a.m. and 4 p.m. **by December 20.**

Thank you for partnering with Light of Life for this ministry opportunity! Your gifts help us to provide hope for life change to the people in need whom we serve.
