SPECIAL PROJECT

When mothers in the Women and Children's Program move into their apartments they are without many of the common household items necessary to take care of their homes and families. You can help a woman to start off right in her new apartment by donating a basket with the following items:

- Household cleaner
- Window cleaner, furniture polish, etc.
- Roll of paper towels
- Pair of rubber cleaning gloves
- Container of disinfecting wipes
- Can of disinfecting spray
- Box of kitchen trash bags
- Sponges
- Mop and bucket
- Broom and dustpan
- Laundry detergent and dryer sheets

You can prepare this donation by putting these items into a new laundry or waste basket so that even the packaging will be a useful item for the women!

Please drop off your filled basket at Light of Life Rescue Mission, 913 Western Ave. (North Side) Pittsburgh, PA 15233 M-F between 9 a.m. and 4 p.m.

Thank you for partnering with Light of Life for this ministry opportunity. Your faithful partnership saves lives!
